## HEAD OF SCHOOL'S CORNER

Assalamu Alaikum NUI Family!

What a year it has been! We began the year by putting in place Covid protocols and spending months socially distancing and masking, testing and quarantining and we end the year gathering and celebrating! How gracious is Allah! In the past few weeks we have had class parties, performances and graduations/celebrations. We also celebrated the 3rd grade students Khatm al Quran with an Ameen celebration. It was refreshing and rejuvenating to be able to spend time socially with our students and their families.

A great big thank you to our teachers, staff and administrators who love your children and nurture them as their own! May Allah swt reward them and may they see the fruits of their work in their lives and in their families. Thank you parents and families for your support and your trust in us. By choosing NUI, you choose to raise your children within the fold of Islam and all it's ideals. May Allah swt guide us to perfect our service to Him.

Enjoy your summer, minimize screen time, increase family time, and build family habits around ibadah. I am grateful to Allah swt for leading me in a journey that brought me to this beautiful community.

See you in the fall inshaAllah!

# EID CELEBRATION

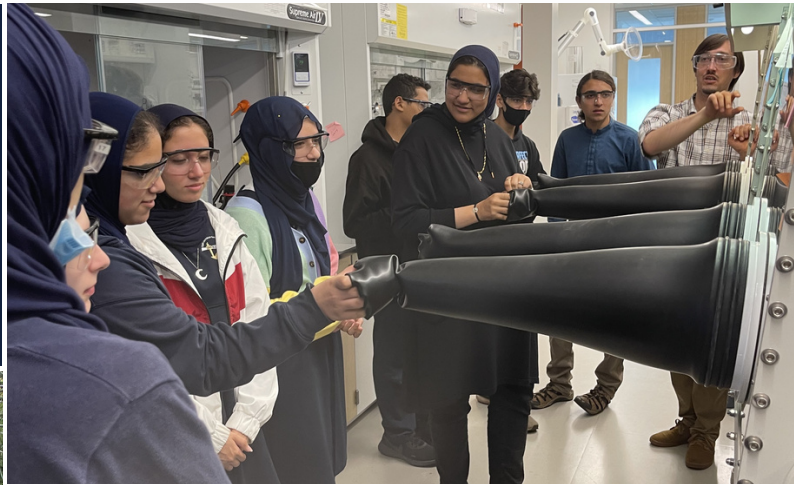

NUI started a new tradition this school year, a fun-filled school-wide Eid celebration. Students enjoyed Rizzo's Wildlife animal show, Mad Science and Mr. Softee's ice cream truck. The day was filled with henna and outdoor games.

# FIELD TRIPS

The NUI students were finally able to go on field trips this term. It's such a special time when our students can gather together for fun educational trips off campus. These trips are very exciting and memorable for the students and staff.
